- **SPIRE** uses grade levels to determine Youth Local Soccer leagues divisions as you can see on the table above.

- Division will be broken down as follow;

- U10, combination of 3rd & 4th grade
- U12, combination of 5th & 6th grade
- Middle School, Combination of 7th & 8th grade

- **SPIRE** does not have any ruling on stopping players for playing up levels, however take into consideration that some teams need players to field a team, and coaches will need to move players down to their proper division if needed.
